

About *Financial Football*

Created by Visa Inc. and the NFL, *Financial Football* is a popular financial literacy video game. This free resource puts individuals' fiscal knowledge to the test in a game that combines the structure and rules of the NFL with financial education questions of varying difficulty. The engaging, fast-paced game is available in English and Spanish and can be played online or downloaded as a free app. *Financial Football* is a companion to another popular global resource, Financial Soccer, which is currently available in 43 countries and 17 languages.

A new version of *Financial Football* with updated content and gameplay is planned for release in 2018.

How to Play *Financial Football*

Financial Football can be played for free at www.practicalmoneyskills.com/football

The game challenges players to answer multiple-choice money management questions correctly to advance down the field for a chance to score a touchdown. Features include:

- Single player and head-to-head options.
- Three difficulty levels: Rookie (ages 11–14), Pro (ages 14–18) and Hall of Fame (ages 18+).
- Players can select from 42 offensive plays, including running and passing options. They can also stop their opponents from advancing by answering a defensive question correctly.

The game also includes companion classroom lesson modules for teachers who want to expand and reinforce greater financial learning. Each module features:

- A narrative overview of the concepts to be taught.
- Goals and objectives of the lesson.
- Teaching notes to help educators structure their lessons.
- A discussion section for teachers and students to talk through how the information learned would apply to real-life situations.

Financial Football Around the Country

Visa has partnered with 49 state governments and the District of Columbia to co-brand and distribute free copies of *Financial Football* to every public middle and high school in those states, including:
